## Summary

porto cesareo

## Description

The house is on the ground floor and consists of entrance to a large living room with kitchenette, 2 double bedrooms, one of them with divisible beds, full bathroom with shower, private courtyard. Comfortable veranda with table and chairs for outdoor dining. The accommodation is cool because surrounded by tall trees and is equipped with all amenities, fridge, 32 "fhd digital TV, fans, mosquito nets - the kitchen is equipped with dishes, dishes, tablecloth, coffee maker and anything else necessary for It is also equipped with iron, clothesline, beach umbrella, etc. It is necessary to bring only personal sheets and towels. In the large enclosed garden it is possible to park the car and use the barbecue to make excellent grilled fish. In addition there is another outdoor shower to wash away the sand just returned from the sea or take a shower. The location of the house allows you to quickly get to the most beautiful beaches or downtown in a few minutes by car avoiding the chaotic traffic of the center, especially in the high season and to visit the tourist places in the area that I recommend to visit all the arrivals and departures possible, by arrangement, on any day during assa season. The arrival and departure times are flexible if the apartment is not booked (always subject to agreement). Animals are not allowed. For agreements on the price I prefer a direct contact. Discounts for those who stay 2 weeks and for families. Tel 3518037725
