

# Without architectural barriers and near the sea

## Summary

a few steps from the sea and close to the historic center

## Description

It is an apartment of 50 square meters, for a maximum of 5 people: living room with sofa bed for 2 separate beds and single foldaway bed, large double bedroom, separate kitchen, bathroom with window and small balcony. The condominium with elevator overlooks a small square with shops, supermarket and bar. The price is interesting because the apartment is not renovated, but very livable and comfortable, well equipped.
