Description

The "Dimora della Quercia" is located in the heart of the city of Taviano, and is an ancient residence of the early 900. A picturesque and evocative place, almost of other times, ideal for a different and special stay. The house is independent and has been completely renovated in 2017. It has beautiful rooms with vaulted ceilings that overlook a large garden (orangerie) of about 200 square meters, overlooking, majestic, a large oak tree. It is equipped with a hydromassage pool and chromotherapy. Possibility of parking cars and motorcycles inside the structure and free use of bicycles. Possibility of trips on yachts (from Gallipoli) to be booked directly on site. We are 4 km from the sea and 9 km. from Gallipoli, and a few km. from the most beautiful beaches of the Ionian Sea. Minimum stay in low season (01.09 -31.05): 7 days from Saturday to Saturday
